## EDMODO: BUILDING CLASSROOM CONNECTIONS

---

### ***A FREE classroom web site creator with a Social Networking presence!***

If you've been looking for a way to include Social Networking as part of your classroom web presence, but hesitate due to concerns over student safety and privacy, Edmodo.com is for you! ***Elementary through high school teachers*** will enjoy using the features of this site.

The screenshot displays the Edmodo website interface. At the top, there is a navigation bar with the Edmodo logo, a search bar, and links for Calendar, Grades, Library, Home, Profile, and Account. Below the navigation bar, the main content area is divided into several sections. On the left, there is a user profile for Jack Brilliant, featuring a green alien-like avatar. Below the profile, there are links for Latest Posts, Direct, Assignments, and By Teachers. In the center, there is a 'Latest Posts' section with a form for creating a new post, including a text area for the post content, an 'Attach' section with options for File, Link, and Library, and a 'Send to...' dropdown menu. Below the form, there are two posts from Emma L. and Ms. Harding, both related to 'First Hour World Geography'. On the right side, there is a 'Notifications' panel with a yellow background, showing alerts for '1 New Grade', '1 New Alert', '1 Quiz Assigned', and '1 New Reply'. Below the notifications, there is a 'Tags' section with a 'Manage' link, and a 'Parent Code' section with a code 'ukb86r'.
